

Name _____

**Valley Tack Shop, Inc.
Used Saddle Policy**

Valley Tack Shop reserves the right to refuse any saddle not of good quality, not in good repair or poorly cared for.

Saddles should be clean and have no unpleasant odors, any metal should be free of cracks or rust.

Silver trim should be clean and polished.

Saddle trees must be unbroken and unwarped.

Any fittings that will sell with a saddle must be usable, safe and clean. Any bags or covers should be clean.

Valley Tack Shop assumes no responsibility for the soundness or safety of used equipment.

We keep a commission of 15% on saddles that sell for over \$200, and 20% on those that sell for under \$200.

Your cash payment will be available 1 week from the sale date of your saddle.

Saddles are left at your own risk, Valley Tack Shop, Inc. is not responsible for damage or loss.

We do require a check or credit card authorization from anyone taking a saddle (new or used) to try.
